

Outdoor Pursuit Programme

PARENT QUESTIONNAIRE

If you were to describe the MAC outdoor pursuit programme to someone interested in it, what would you say about it?

Are there any lasting impressions or perhaps stories about outdoor pursuits?

Did you notice any effects of the programme that may have impacted on your son(s)/daughter(s)? Did it shape them in any way?

What were the strengths of the course?

If you could have changed anything about the outdoor pursuit programme, what would it have been and why?

If you could suggest possible future directions for the programmes at the college, what would they be?

Could you comment on how the MAC outdoor pursuit programme is perceived locally? Nationally? Internationally? Or by the education sector?

Has your son/daughter carried on any of the outdoor pursuits that they started at MAC? Which and why?

Do you have any other comments in general about the outdoor pursuit programme?

Please tell us a little bit about your son(s)/daughter(s):

1. Male Female Final year at MAC _____
2. Male Female Final year at MAC _____
3. Male Female Final year at MAC _____
